Safety Data Sheet no. 9
Revision no. 3
Revision date 30.03.19

SAFETY DATA SHEET

Data obtained from our supplier's safety data sheet

1. IDENTIFICATION OF THE PRODUCT AND COMPANY

Commercial name: **TERMOFORM 10/BA cell solid polymeric material**

Name of distributor company:

Corazza S.r.l.

Via S.Pertini,37

40062 Molinella- (Bologna, Italy)

Tel. +39-051/881877 – Fax +39-051/6902146

2. COMPOSITION/INFORMATION ABOUT INGREDIENTS

Composition: E.V.A. + P.E. EXPANDED
hazardous substances: No hazardous substances to be declared

3. HAZARD IDENTIFICATION

The material is not classified as hazardous under Regulation (EC) 1272/2008

Hazard labelling required: none

Risks for health and the environment: no damaging effects to the best of our knowledge

4. FIRST AID MEASURES

Inhalation: vapours emitted due to the effect of heat may cause irritation of the airways; if inhaled, remove the patient from the contaminated environment, leave him to rest in a well ventilated location and call medical assistance

Contact with skin and eyes: No hazard in normal use

Accidental ingestion: highly unlikely; if it should occur, seek qualified medical advice.

5. FIREFIGHTING MEASURES

Recommended extinguishing media: water, powder, foam, CO2

Contraindications: none

Do not allow firefighting media to disperse in watercourses or drainage systems.

Firefighting team members must be equipped with suitable PPE and breathing apparatus.

SAFETY DATA SHEET

Data obtained from our supplier's safety data sheet

6. ACCIDENTAL RELEASE MEASURES

Personal precautions:	not applicable
Environmental precautions:	notify the competent authorities as required by law; do not allow to disperse in watercourses or drainage systems
Cleaning and recovery:	treat as special waste which can be processed with municipal waste

7. HANDLING AND STORAGE

Handling:	do not heat to high temperatures and do not handle close to naked flames. Protect from dust, rain, snow and direct sunlight. The material may accumulate static charges which may cause an electrical discharge.
Storage:	no unsuitable packaging material, store in a well ventilated place at ambient temperature and not outdoors.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Respiratory protection:	not necessary in normal use
Hand, skin and eyes protection:	not necessary in normal conditions

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state:	if expanded solid, flexible microcellular, more or less elastic, with characteristic odour if compact solid, flexible, more or less elastic, with characteristic odour
pH:	not relevant
Explosion hazard	none
Vapour pressure:	not relevant
Solubility:	not soluble in water and organic solvents

10. STABILITY AND REACTIVITY

The material is stable and insert in the intended conditions of use; avoid lengthy exposure to temperatures above 50°C, which might cause degradation of the product.

Conditions to avoid:	avoid direct exposure to sunlight and to heat; avoid the build-up of electrostatic charges
Materials to avoid:	acid solutions, solvents and petroleum spirit
Decomposition products:	none in normal use

SAFETY DATA SHEET

Data obtained from our supplier's safety data sheet

11. TOXICOLOGICAL INFORMATION

The material does not present any intrinsic hazards in normal conditions of use.
Acute toxicity LC50/LD50: not applicable
Any processing dust may cause mechanical irritation to the eyes surfaces; in this case, rinse with water.

12. ECOLOGICAL INFORMATION

The product is not considered ecotoxic for aquatic organisms or for land organisms; however, do not discharge the product into the environment.

13. DISPOSAL CONSIDERATIONS

Disposal method: recovery, incineration, authorised landfill disposal, comply with local regulations

14. TRANSPORT INFORMATION

The product is not classified as hazardous for transport.

15. REGULATORY INFORMATION

Product not classified as hazardous; not subject to mandatory procedures under Regulation 1907/2006 (REACH).

16. OTHER INFORMATION

None.

The information provided is based on our current knowledge. This safety data sheet only describes the product with regard to safety. Under no circumstances may this information be taken as a quality guarantee.
